# Farewell Message

**Luis Lopes**  
**Superintendent**

Congratulations to the Class of 2015. Together, you have accomplished many things. As a class, you have not only excelled academically, but also set new records working in paid externships and several of our sports teams had banner years. As a class you witnessed many changes, including a newly renovated school, the development of new programs in performing arts, engineering, and the medical field. But what I will remember the most about the Class of 2015 is how you have grown as leaders, committed to community service and been positive role models to others. I am sure that your family and friends will join me and the rest of the faculty in wishing nothing but continued success for your future endeavors.

**David Wheeler**  
**Principal**

Congratulations class of 2015! Thanks for four wonderful years. I feel lucky to have watched you grow and mature into the great people you are today. I know you will go on to do great things, no matter whether you have chosen to pursue higher education, enter your chosen field, or serve our country in some other capacity.

The important thing to remember about high school is that it was a stepping stone to far larger and more powerful things in your life. Someday you will have families and careers of your own and, when you do, I hope you consider giving back to the Southeastern community, just as it gave to you when you needed it. Good luck and I'm going to miss you all.
